

Generally, your local school counselor will confirm over the phone that your school will issue a course credit at the successful completion of your ALVS course, but sometimes it helps to complete this form and email/visit the school directly. During the past 5 years, all high schools that accept online courses for credit have accepted ALVS courses—if needed, we are more than happy to help you work with your school to ensure credit.

Accreditation and Certifications

ALVS is fully accredited by the Northwest Accreditation Commission (NWAC), an accredited division of AdvancED. ALVS courses have also been approved by the NCAA[®], the College Board[®] (for AP[®]), and the University of California (UC) as fulfilling ‘a-g’ subject requirements needed to enroll in Californian Universities.*
